"SUPER DAD" PROGRAM

A SUPER DAD FOR A SUPER FAMILY

Facilitator: Nancy Abdo

Date: Fridays, from 6 to 7 pm

On the occasion of Father's Day, Academica has prepared a program to take you from Father and Father-to-be to "Super Dad" at the speed of light! Fathers from all paths and ages will discover the key to a successful fatherhood during 4 summer sessions.

How to Be a Super Dad.

Secrets that every father needs to know to master and excel at fatherhood.

What's the Role of the Father in a Child, Teen and Adult Son or Daughter Lives?

This session is a crucial key learning on the role of fathers at the heart of the family, but mostly on their relationships and the parts they play in their children's lives.

Are You a Spoiling or a Caring Dad?

Fathers will learn to make the difference between the two solutions for daily challenges. In this session, they will grasp the relevant tools to identify their profile and create solutions for daily challenges.

How to Decode What Your Children Are Really Saying.

During this session, fathers will be coached to read between the lines and will be introduced to positive tools to communicate with their kids.

Registration fees: \$180 for the program (4 sessions).
